

Windmill Hill Office Hours+ — Your Year-Round Fundraising Advisory Partner

Fundraising Moves Fast. You Deserve Support That Keeps Up.

If you've ever felt like you're navigating donor decisions, board expectations, or shifting priorities alone, Office Hours+ gives you the strategic backup you need—exactly when you need it. **This isn't traditional consulting. It's smarter, lighter, and built for the real pace of nonprofit leadership.**

Why Choose Office Hours+?

Fundraising challenges don't happen on a schedule. Priorities shift, boards need alignment, donors change course, and staff capacity ebbs and flows throughout the year. Having immediate access to seasoned fundraising advisors can be the difference between maintaining momentum and falling behind.

Office Hours+ ensures you always have expert guidance at hand—so you can stay focused, confident, and on track with your fundraising goals. Office Hours+ helps you raise more money, make better fundraising decisions, and keep your team aligned—year-round.

Designed for nonprofit leaders who want:

- **Strategic expertise** on demand without hiring a full consulting team
- **Steady accountability** to stay on track with plans and goals
- **Support** through transitions, pivots, or fundraising challenges
- A **thinking partner** who already understands your organization's context
- **Tools, templates, and insights** that make planning and execution easier

Whether you're a past WHC client or a new organization seeking high-quality fundraising expertise, this program meets you where you are and supports where you're going.
